

# NURSING

## ASSOCIATE OF SCIENCE

### About the Program

The associate of science in nursing (ASN) program is part of a 130-year tradition of excellence in nursing education at Aultman. The program combines classroom instruction; hands-on experiences in skills and simulation laboratories; and clinical placements in a variety of settings to prepare you for the national licensing exam (NCLEX) to become a registered nurse (RN).

### Career Pathways

As an RN, you can work in a variety of clinical settings: hospitals, physician offices, clinics, surgery centers, and long-term care and rehabilitation facilities.

The ASN curriculum design also provides for progression to our BSN Completion (BSN-C) program, which allows you to broaden your career opportunities and further your education to become a nurse anesthetist, nurse practitioner, nurse leader or educator.

### Admission Requirements

- Students who are attending college for the first time must have a minimum of the following:
  - 3.0 high school GPA or equivalency
  - 20 ACT (1030 SAT or ACCUPLACER Next Gen scores: Reading Comprehension of 250+ and Quantitative Reasoning, Algebra and Statistics Score of 263+)
  - 58.7% composite TEAS score and 58.7% or higher on each of the four sections
- Transfer students must have 6 or more credit hours of college course work and a minimum GPA of 2.7 based on the most recent college transcript.

### Application Process

Interested students will need to submit a completed application online at [aultmancollege.edu](http://aultmancollege.edu) and submit official high school and college transcripts.

Full-time

Direct-entry ASN program

Program admits spring and fall semesters. Check our website for application deadline.

Accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Ohio Board of Nursing (OBN)
